

## *Our Foundation Tree*

In honour of the school Foundation, and our fantastic new building, we commissioned an artist to create a metal 3D tree structure to be placed on the outside wall of the Gill Noach building.

Our students, and old Yorkists, have the opportunity to buy a leaf for the art piece with their name on it, to be displayed forevermore more!

*Limited amount of leaves available*  
The cost of a leaf is £150

## *The York House Foundation*

The York House Foundation aims to enhance the experiences of our children and our community ensuring that we stay true to the school philosophy of 'Leaving people and places better than we found them'.
